David/Doug:

Thanks for your input. We have developed a much better transition into our presentation after our conference call. Our intent is to begin to start the discussion on some of the decisions that have to be made. Your help is very much appreciated.

Ella - Doug can participate in a coordination call on the Dec 19 CAG presentation. He is flying to Buffalo and if he is on time with the flight, he should be able to participate around 3 PM. I can conference folks in.

Ella - can you email us the presentation ahead of time so that we can follow along? thanks
